11-17-2014 Update

RE: DuPont LaPorte Plant Update

Dear Ms. Enders:

As you know, the DuPont LaPorte Plant is continuing its response to the incident. As part of stabilizing the incident site, the technology team completed a structured "What IF" PHA (b)(4)

Based on the PHA results, a detailed temporary operating procedure has been drafted and approved. The plan is to begin de-inventory steps late morning or early afternoon once operators are properly trained on the procedures.
